Where Learning is Cool!

Fall 2013

Salt Lake City School District
Mrs. Herron—Library Technology Teacher

Hello! You are welcome at GMS Library!

My name is Mrs. Sarah Herron and I am the Library Technology Teacher at Glendale Middle School. I am so happy to be here!

This is my 3rd year at Glendale and my 8th year as a school librarian. I love reading and computers and sharing what I know and discover with these wonderful 6th—8th graders.

Anywhere, Anytime Reading with eBooks!

Salt Lake City School District has purchased many eBook titles for grades K-8 to read on a computer at home as well as at school. To access

the eBooks, you need a computer with Internet access.

Go to the **GMS website** (<http://glendale.slcschools.org>) click on **Library**, and then click on **Library Catalogue**. Search for a topic under Electronic Books (Material Type). Enjoy reading your book!

If you have any questions, please call me anytime!

Kindles!!

Glendale MS has been chosen as one of 4 SLCS schools to check out Kindles.

To check out a Kindle, the student must have a signed parent permission form, a consistent book return history, no unpaid book fines and an understanding of how care for the Kindle. Each Kindle has 10 books and may be checked out for 2 weeks.

Our students have been very excited for this opportunity and are doing a great job!

Book Care

Please help your students be responsible for the books that they check out of the GMS Library. The expectation is that every book will be returned in the same condition as it was when checked out and will be returned by the stamped due date. Thank you for your help!
